CLARIFICATION OF THE ISSUE FEE PAYMENT

Honorable Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This paper is filed to clarify that the issue fee for the above referenced patent application is paid in full. In the US PTO notice mailed to the applicant on 10/29/2007, the Applicant was requested to pay the deficiency of the issue fee in the amount of \$20 within 3 months (the US PTO notice is attached to this submission). However on 10/21/2007, prior to the mailing of the above US PTO notice, the Applicant has already submitted an additional authorization to charge the \$20 deficiency. This charge authorization is listed in the PAIR Image File Wrapper and the copy of this authorization downloaded from PAIR is attached. The deficiency of \$20 was actually charged to the applicant's credit card on 10/22/2007. Thus the Applicant respectfully submits that the issue fee for 10/796,468 is paid in full.

Respectfully submitted:

NOTICE TO PAY BALANCE OF ISSUE FEE

The issue fee payment filed on 10/14/07 has been received. Although the fee paid in the Notice of Allowance was paid, new patent fees went into effect on September 30, 2007 after the mailing date of the Notice. See the Sections 801 and 803 of the Consolidated Appropriations Act, 2005 (H.R. 4818). As stated in Section 803 of the Act, "the provisions of this title shall take effect on the date of enactment of this Act. . . the provisions of section 801 shall apply to all patents, whenever granted, and to all patent applications pending on or filed after the effective date [September 30, 2007]. Because the issue fee was paid on or after September 30, 2007, the new issue fee was due instead of the amount specified in the Notice of Allowance.¹

In accordance with 37 CFR 1.18, applicant is given a time period of **THREE (3) MONTHS** from the mailing date of this notice during which to pay the **BALANCE DUE** indicated below. The balance due is the difference between the issue fee required on the date that the correct issue fee is paid and the amount that was previously paid. This three-month time period may not be extended. If the balance due is not paid before the expiration of the three-month period, the application will become abandoned (if not issued) or the patent will lapse (if issued) at the termination of the three-month period.
